The End

At the zoo...

« Let's frighten each other ! »

But there is anybody !

Some skeletons live in a dark dark cellar.

They walk past the houses
ang go to the park..
Suddenly, the dog all comes
to pieces.
At last, the dog is properly
put back together again.

« And frighten somebody ! »

« Let's frighten each other ! »

Suddenly, the dog all comes

At last, the dog is properly

Some skeletons live in a dark dark cellar.

And that is how the story ends.
On a dark dark hill
there was a dark dark town.
In the dark dark town
there was a dark dark street.
In the dark dark street
there was a dark dark house.
In the dark dark house
there was a dark dark staircase.
Down the dark dark staircase
there was a dark dark cellar.
In the dark dark cellar
some skeletons lived.
