

Script PERIODE 3 (CM2)

Part V

Scene 6

In the shed in the palace garden

Muzzy Where's Princess Sylvia's room?

Bob There!

Muzzy Where, on the first floor?

Bob No, it's on the second floor.

Muzzy Oh, there are three rooms on the second floor. Which one is it? Is it the one on the left?

Bob No, it isn't.

Muzzy Is it the one on the right?

Bob No, it isn't.

Muzzy Is it the one in the middle?

Bob Yes, it is.

Bob It's the one in the middle.
It's the one in the middle.

Captions

It's - it is - is it?

Yes, it is. No, it isn't.

Muzzy What about the room up there?

The one on the top floor.

Bob That's Corvax's room.

It's the computer room.

Scene 7

More Sylvia replicas are produced in the computer room

Corvax Stop it! Stop it!

NO! NO! NO!

Scene 8

In Sylvia's bedroom.

Sylvia Food - clocks - seven pm.

I've got some food,

I've got some clocks,

And it's nearly seven o'clock.

OK.

Sylvia Open the door - quietly!

Look round - carefully!

Run downstairs - quickly!

Sylvia bumps into the Sylvia replicas.

SR Hello Sylvia!

Sylvia Hello - Wha ...? That's *me!*

Sylvia Oh! It's seven. Bob's waiting.

Agh! That's me

Queen Seven o'clock!

It's dinner-time, Sylvia!

Srs Yes, Mummy.

Yes, Mummy.

Yes, Mummy, etc.

Queen EEK! (To King) Look, they're all Sylvias.

King How many are there?

Scene 9

Song - How many Sylvias?

Queen There are three in the kitchen,
Four in the hall.

King There's one by the fireplace,
There's one against the wall.
There's one in the sitting room,
Bouncing on the chairs,
And four are having lots of fun,
Sliding down the stairs.

Queen There are hundreds in the garden,
Picking all the flowers,
And lots in the bathrooms,
Turning on the showers.

Queen Lots on the chandeliers.

King More over there!

Both More of them and more of them
Appearing everywhere!

Scene 10

King Where are they all coming from?

Queen Look, they're coming from
Corvax's room upstairs. What's
he doing? Go and see - quick!

Corvax Stop it! Stop it! Help!

King Corvax! What are you doing?

Corvax I'm not doing anything. It's the
computer.
